

## INSTRUCTIONS:

Cut out both discs from this sheet. Cut out shaded areas from sheet two then fold sheet so that the base is at the bottom and the two sides form a triangle. Fix the two discs between the two sides of second sheet using split pins so that they can be rotated.

The pigs should be fixed using point A so that the pigs can disappear over the 'cliff' edge. The mad-man should be fixed using point B so he can change from 'mad' to sane.

The sides can be decorated to look like cliffs - again this is best done before any cutting is carried out.
